

Moving Forward, Embracing Our Work

2019 REPORT TO THE COMMUNITY

A Look at Our Patients

In 2019, we served 30,858 unduplicated patients, who recorded 122,913 visits. Since 2016, the number of patients has increased 7.42%.

Fun Facts About 2019

Top diagnosis for **12,086** visits to our Walk-In Clinic was acute upper respiratory infection.

Our Pharmacy

95,930 prescriptions filled	56,321 new prescriptions	39,609 refills
---------------------------------------	------------------------------------	--------------------------

Our Obstetric patients delivered **360 babies.**

The Parkside Health Center joined the Northeast Health Center and the Northwest Community Health Centers in treating patients of all ages. The Jackson High Health Center sees medical patients through the age of 21.

Center for
Family Health

Opening the door to
HEALTH CARE for *all*

505 N. Jackson St. | 517-748-5500 | CenterforFamilyHealth.org

The Center for Family Health is an independent, federally qualified health center that never turns patients away because of inability to pay. It provides comprehensive, quality medical care, dental services and behavioral-health assistance to more than 30,000 patients at its main location in Jackson, a dental center, and four school health centers.
