JANUARY 2023 COMMUNITY NEWSLETTER

Accessible Mental Health Services for EVERYONE

Northwest Community Health Center and Parkside Health Center

■ Hours 7:30- 4 pm
Monday through Friday

Open to all ages, medical and mental health services

Call 748-5500 to learn more. ■

Beyond just physical health services, the Center for Family Health provides mental health services in an integrated approach. Through a team of clinicians, psychologists, and psychiatrists, CFH offers mental health assessments, treatment, and coaching to ensure everyone has access to the care they need, in the way they need it.

We strive to ensure our services are available in a safe and comfortable environment to everyone in the community.

Our Behavioral Health Consultants offer one-on-one traditional therapy, as well as health coaching to assist

you in managing your health needs. We also offer weekly group supportive therapy sessions for anxiety and depression and a recovery skills workshop.

Therapy is available for anyone, child through adult, at our downtown location and at our school health centers. To eliminate some common barriers to receiving mental health services, we offer virtual and telehealth therapy sessions.

To learn more about our mental health services, give us a call at 517.748.5500. ■

Opening the door to
HEALTH CARE for all

The Center for Family Health is an independent, federally qualified health center that never turns patients away because of inability to pay. It provides comprehensive, quality medical care, dental services and behavioral-health assistance to more than 35,000 patients at its main location in Jackson, a dental center, and four school health centers.

News in Brief

It's that time of year again.

Colds, bronchitis, flu and more are running rampant. Conveniently located at our downtown location, our walk-in clinic is here to see patients with same-day services when you are unwell.

You do not need to be a CFH patient to use our walk-in clinic. No appointment is necessary. Flu and COVID vaccines are available.

Walk-In Clinic

Open Hours

Monday – Friday 9 AM – 9 PM
Saturday – Sunday 9 AM – 6 PM

■ Please call our office for more information at [517-748-5500](tel:517-748-5500).

COVID-19 Testing Available By Appointment

Call our hotline at **517-748-5363** to schedule your COVID-19 testing. ■

GET TO KNOW CFH

MEET KIM YOUNG

Kim is one of the shining faces in our walk-in clinic. As a Patient Service Representative (PSR), she assists our patients with checking in, checking out, and scheduling any follow-up appointments with their primary care provider.

She has been a staple in our walk-in clinic for the past four years. Throughout her time at the Center for Family Health, she has enjoyed the interactions she is able to have with the patients the most.

Before coming to work here, she heard many good things about the Center and knew it would be a wonderful opportunity for her. Kim has greatly enjoyed her time as a PSR and looks forwards to her next several years.
