HEALTH INSURANCE MARKETPLACE OPENS SOON!

Marketplace Open Enrollment Period is November 1 - January 15

Our **Outreach and Enrollment Experts** are here to help patients enroll in the best insurance plan and coverage for their needs through healthcare.gov - which offers a variety of health-insurance plans with savings based on income. Our trained navigators can help everyone navigate the site – **FOR FREE**.

Patients can **call 517-748-5500** to schedule an appointment with our team, who can help guide them through the process and answer any questions.

Those looking to sign up DO NOT have to be a Center for Family Health patient to access free assistance with enrollment.

FEATURED RESOURCES + NEWS

Cold and Flu season is on the way!

Each School Health Center location is now fully staffed with providers, so students and families can conveniently get the recommended immunizations right at school.

Stay healthy, stay ahead, get your shots today!

No Tricks, Only Treats - Our Pediatric Team is Here to Help Answer Your Questions About Vaccines!

PROOF POSITIVE IN PEDIATRICS

Periodically, we will be featuring reviews from patients, partners, and the community like the one below. Please note that these are selected at random from all submissions.

'My husband and I recently spoke with **Claudia Ramirez, MA,** and **Kellie Simpson, Pediatric Supervisor,** about vaccines for our son. My husband had some initial hesitations, and expressed this to Claudia who was kind, patient, and immediately brought in Kellie, who took the time to answer all our questions and provided us printed info so we could ponder at our own pace. With the info and how they handled our concerns, we felt confident in our decision and even came back to get the vaccine we had missed during our first visit. Thank you!'

IT'S BREAST CANCER AWARENESS MONTH!

Thanks to valuable staff feedback, we're doing more this year at the Center for Family Health to honor and elevate resources during Breast Cancer Awareness Month.

Throughout October, you'll see

- dedicated social media content raising awareness
- refreshed print materials in our clinics to support patient education
- All year round, we host the Mobile Mammography from Henry Ford Health every Friday in our Main Campus parking lot
  - Call (517) 205-4905 to schedule an appointment

It's all part of our commitment to education, support, and honoring those impacted, because awareness saves lives.

COO, Sara Benedetto, volunteering at the September Village Collective Meet-Up

IT TAKES A VILLAGE

On September 24, 2025, the Center for Family Health Outreach + Enrollment team joined **The Village Collective of Jackson** (formerly Heyyy Pretty Momma) for their monthly meet-up, connecting with local families and enrolling prospective parents in Centering Pregnancy. These gatherings are all about building a supportive village for Jackson's growing families—and we're proud to be part of it!

Highlights included

- Free dinner for families
- Supervised kids' playroom
- Local partners sharing family resources

Click here to join The Village Collective on Facebook!
